- Disabilities Awareness Committee: though a Program Committee rather than a City Committee, revenue sharing will be applied to DAC as they generate members specific to the committee
- Personal donations/contributions made over \$250.00 and designated for a specific Committee and/or Program: 10% of the funds will be shared with Phoenix Sister Cities
- Sponsorship of a Committee event/project: funds designated for a specific Committee event/project will be set aside for the event/project. Following the end of the event/project, net proceeds will be divided, with the Committee receiving 75% and Phoenix Sister Cities receiving 25%.
