What is Phoenix Sister Cities?

Phoenix Sister Cities (PSC), established in 1972, is a not-for-profit, community-led organization with ten active sister cities relationships. The mission of Phoenix Sister Cities is to foster relationships between the people of Phoenix and our Sister Cities around the world to promote friendship, peace and prosperity.

The sister cities movement was born out of President Eisenhower's 1956 White House conference on citizen diplomacy. Eisenhower envisioned an organization that created individual bonds around the world to celebrate their differences and ultimately promote peaceful relationships.

Phoenix Sister Cities is governed by a 36-member Board of Directors, which includes 25 Phoenix Sister Cities Commissioners appointed by the Mayor and Phoenix City Council. Phoenix currently supports 10 sister cities relationships: Calgary, Canada (1997); Catania, Italy (2001); Chengdu, China (1987); Ennis, Ireland (1988); Grenoble, France (1990); Hermosillo, Mexico (1976); Himeji, Japan (1976); Prague, Czech Republic (2013); Ramat-Gan, Israel (2005); and Taipei, Taiwan (1979).
Youth Ambassador Exchange Program

IN THEIR WORDS...

"The moment I stepped into Ireland I was greeted with nothing but kindness. Ennis maybe be a small city but it is filled with overflowing love."

ALINA BOORSE | ENNIS, IRELAND | NORTH PHOENIX PREP ACADEMY

"This program gave me so many opportunities that I wouldn’t have gotten the chance to experience. Forming those personal relationships with other international teens and making changes on a scale much bigger than us is so incredible."

SONIA DIAS | TAIPEI, TAIWAN | DESERT VISTA

"I feel that I’ve gained a second family here in Hermosillo. I’m going to miss their sense of humor and easy banter, the way their sentences flow like curious music, and their open affection."

CHENOA COVINGTON | HERMOSILLO, MEXICO | SHADOW MOUNTAIN
Phoenix high school students in their sophomore and junior year may apply to serve as a Youth Ambassador to one of Phoenix’s ten Sister Cities. Upon selection, students will be invited to participate in our Youth Ambassador Exchange Program, where they will develop leadership skills, global and cultural awareness, and represent not only Phoenix but the state of Arizona and the United States. Youth Ambassadors will receive unique training through our Academy Sessions that will be held once a month leading up to their departure. In these sessions, students are taught the valuable skills of diplomacy and communication, and also learn about their host country and what they can expect abroad. Prior to the exchange, Youth Ambassadors will also participate in event planning committees and fundraising activities.

Pandemic permitting each Youth Ambassador will depart in the summer to spend approximately 2–3 weeks in the Sister City with which they are paired. They will live with a host family and an international counterpart where they will be fully immersed in the culture of the Sister City. While abroad, Youth Ambassadors can expect an eye-opening experience as they discover new places, build new international relationships, and learn more about themselves.
Shortly after the Youth Ambassadors return home from their host countries, their international counterparts will then travel to Phoenix to spend approximately three weeks living with a Phoenix Youth Ambassador. While the international counterparts are visiting, both the Phoenix and the international Youth Ambassadors will engage in fun trips and activities that will provide the international youth ambassadors with a well-rounded experience of Phoenix and the United States. Students will learn more about what it means to be a global citizen and will have the opportunity to engage with meaningful subject matter with educators, peers, and professionals in the city.

Following the program, Youth Ambassadors are expected to participate in a series of alumni events as well as opportunities to participate in promotional and recruitment projects for the next year’s cohort. By being a part of the Youth Ambassador Exchange Program, students become part of a global community, learn about different cultures, make great friends from around the world, and participate in a life-changing experience!
